

UNITED STATES BANKRUPTCY COURT

DISTRICT OF ARIZONA

(Revised February 18, 2003)

ANNOUNCEMENT SETTING THE DATES BY WHICH ATTORNEYS WILL BE REQUIRED TO FILE DOCUMENTS ELECTRONICALLY.

The United States Bankruptcy Court for the District of Arizona has set the following dates by which attorneys who practice before the court shall be required to use the court's Case Management/Electronic Case File system to file their documents electronically. Paper filings will not be accepted after these dates.

1. Starting March 20, 2003, attorneys shall be required to file pleadings and documents electronically using the CM/ECF system when filing documents in all Phoenix cases (which includes cases heard in Phoenix and Prescott). Paper filings by attorneys will not be accepted on or after March 20, 2003.
2. Starting June 20, 2003, attorneys shall be required to file pleadings and documents electronically using the CM/ECF system when filing documents in all Tucson and Yuma cases. Paper filings by attorneys will not be accepted on or after June 20, 2003.

The above dates set for requiring filings to be made electronically were revised because the conversion to CM/ECF in all offices was not completed until February 18, 2003. Therefore, the above dates were amended to 30 days after the complete conversion for Phoenix cases and 120 days after the complete conversion for Tucson and Yuma cases.

For more information concerning the CM/ECF system and electronic filing, visit the court's website at www.azb.uscourts.gov and click on the **Electronic Case Filing** link and then click on **Reference Manuals**.
